

TOP BRIDGE INDUSTRY CO., LTD
TEST CERTIFICATION

Customer	Top Bridge Industry Co., Ltd			Contract No.	TB-23/11/09		Standard				ANSI/AWS A5.12/ISO6848				
Commodity	Batch	Model	Specification	Quantity (PCS.)	Density		Chemical Components%								
2% Thoriated Tungsten Electrode		WT20	2.0mm*175mm	1000	18.15g/cm ³	W	ThO ₂	Fe	Ni	Mo					
		WT20	2.4mm*175mm	1000		≥	≤	≤	≤						
						97.9	2.1	0.004	0.002	0.004					
Surface	Passed			Straight	Passed	Tolerances	Diameter				Passed				
							Length				Passed				
Broken Test	Passed			Crack Check	Passed	Electricity Test				Passed					
Notes	Oxidize easily, guard against damp										Test Insigna				

It is hereby certified, on the basis of strict control carried out in accordance with the specifications, that the products supplied has fully met the items required in the the specifications, and that no significant charge has been made when tested.
